

Authorization to Access Driver Record

Oley Valley School District

I hereby authorize the Oley Valley School District to access information relative to my driving record for purposes of determining my eligibility to drive school district vehicles per the provisions of Policy 810.2.

I have attached a copy of my driver license and understand the Oley Valley School District will maintain all information relative to this authorization in a separate, confidential file in a secure location.

My status with regard to this authorization is:

- Oley Valley School District Employee Approved Volunteer

Signature

Date

Return this authorization form to the Transportation Office or Building/Grounds Office at least 14 calendar days prior to the requested use of any school district owned vehicle.
