

June 1, 2007

Dear parents/guardians,

As you are probably aware, the Oley Valley School District will begin construction on a new all-weather track and turf field shortly after graduation. We are excited about the new facility and feel that it will solidify Oley Valley as one of the top athletic venues in the county.

The purpose of this memorandum is to inform you of proper footwear for these new surfaces.

1. The track surface will allow for a track shoe with a maximum of a 3/16 inch spike.
2. Turf shoes or molded cleats are suitable for the turf field.
3. No metal cleats may be worn on either surface at any time.
4. Sneakers may be worn on either surface.

Thank you for your attention in providing your student-athlete with appropriate footwear for our new facilities. Feel free to contact the athletic office with any questions or concerns. Have a great summer and see you in the 2007-2008 school year.

Sincerely,

Philip J. Matilla, Director of Athletics  
Oley Valley School District  
610.987.4111

Cc: Dr. Zackon, Superintendent  
Mr. Markley, High School Principal  
Mrs. Lightcap, Middle School Principal  
Mr. Flick, Assistant High School Principal  
Oley Valley School Board of Directors
