WATCH D.O.G.S. (Dads Of Great Students) is an innovative program focusing on safety and education in schools by using the positive influence of father and father-figures for a two-fold purpose: (1) to provide an unobtrusive fathering presence, and (2) to provide a positive and active role-model for students at the school. Fathers, stepfathers, grandfathers and uncles are asked to spend at least one day at their student's school volunteering. They will support the school through monitoring the school property, working one-on-one or in small groups, reading, flashcards, homework, sports referees, listening ears, or for whatever needs to be done to plant seeds of success in the lives of the students.
