

Oley Valley Youth League

446 Bertolet Mill Road, Oley PA 19547

Dear School Board Members:

For over 50 years the Oley Valley Youth League has served as a complement to the educational system of the Oley Valley School District by offering a variety of sports and recreational activities that are not offered through the school. The Oley Valley Youth League serves to enhance the academic experience through physical activity. The Youth League offers its services only to Oley Valley School District families, fostering deeper camaraderie among classmates and ultimately a feeling of unity throughout our school district.

The Oley Valley Youth League strives to instill qualities in its athletes that are desirable throughout our lives, including self-confidence, self respect, respect for others, a competitive spirit, independent thinking, and good sportsmanship. These attributes provide students a definite advantage in reaching both social and academic success.

For many years the Oley Valley Youth League has relied on the Oley Valley School District to reach the students and their families with important information about our programs. Specifically, we have distributed quarterly newsletters through the elementary and middle school teachers' mail boxes to be sent home with the students. I personally print these flyers, pack them by homeroom, and place them in the teacher's boxes. The front office staff is not burdened with any additional task.

It is the request of the Oley Valley Youth League to be considered an "educational enrichment program" by the Oley Valley School Board so that we may continue to provide our information through the Oley Valley Schools. I have included an attachment with the schedule of material distribution for the year 2017-2018.

Sincerely,

Denise K. Wagner

Public Relations Chairperson, Oley Valley Youth League
